

➤ **Enterprises with foreign investment. Restrictions of the organizational-legal nature in creating EFI**

EFI includes newly created enterprises that meet the following conditions:

- the size of the Authorized fund of the enterprise may not be less than the amount equivalent to 150 thousand USD;
- one of the participants of the enterprise is necessarily a foreign legal entity;
- the share of foreign investment is at least 30 percent of the authorized capital of the enterprise.

In Uzbekistan, there are no institutional and legal restrictions on the creation of EFI.

At the same time, they can be created in the form of a business partnership (full and limited), a company with limited and additional liability, a joint-stock company (open and closed), a subsidiary, a unitary enterprise and other forms not prohibited by the legislation.
